Chapter 1 by Caitlin Perez

Have you ever loved someone so much that it hurts? Well I have, i would never wish this pain on anyone.

It all started on September 16th, 2014 it was a Tuesday the day i saw the most beautiful girl in the world. The moment our eyes locked I knew I was in trouble. My heart was pounding, my head over flowing with thoughts, just as i was about to look again i heard "Can I sit with you at lunch?" My ears have never heard anything so wonderful, her voice so soft so sweet.

Next thing I know i break up with Samantha, good rid-dins, she was crazy anyway that is a whole other story, and i get with Nicole on June 1st 2015.

11 months later a, She is my fiancee, but is this what i want, do i want to stay and love someone with all I have when i feel I am not loved back? Do i stay? Wouldn't leaving hurt even more than staying?
